## The Results

## Concierge Services:

- Declutter/Organize your home or office
- Coordinate projects
- Manage deliveries
- Supervise contractors
- Run errands
- Short-term assistant
- And much more

## About Me

My passion is to provide the most reliable, personable and prompt concierge services for your business or home.

My background involves more than 25 years of experience in professional sales, marketing and relationship building with Fortune 500 companies, small local businesses and non-profit organizations. I understand the value of time!
